

McCormick CPW is seeking a Water Treatment Plant Operator. This position is responsible for operation and maintenance of the water treatment plant. Preference given to applicants with Class C or better certification; trainee applicants will be considered. Trainees must be able to obtain a Class E license within 6 months, Class D license within 12 months and Class C license within 24 months by passing the SC LLR operators' exam. All applicants must possess a valid driver's license, be able to pass a criminal background check, drug screening, satisfactory work history and have a high school diploma or GED. This position requires night, holiday, and weekend hours. Applications and job description may be obtained at the office or online at mccormickcpw.com. Interested applicants should submit resume and completed job application to McCormick Commission of Public Works, 912 South Main Street, McCormick, SC 29835. This institution is an Equal Opportunity Provider and Employer.
